## EXPERIENCE

AMUPEDIA | FOUNDER

Aligarh,India | April 2021 – Present

- This is just a community in ZHCET, There is the website and also a GitHub repo too. 1. My work is to manage the working of a team. My skills that develop working here are- 1. The ability to turn information into action 2. The ability to share clear messages and make complex ideas easy to understand for everyone. 3. Strong communication skills and Management skills 4.A strong leadership vision

JOOMLA | CONTRUBUTOR

Remote | Jan 2022 – March 2022

- Here I work as a contributor to Joomla Organization. Working in a community trained me a lot of things.

## SKILLS

PROGRAMMING LANGUAGES	JS, Cpp, Python, C, JAVA
LIBRARIES/FRAEMWORKS	Nodejs, Reactjs, Vuejs, Typescript
TOOLS / PLATFORMS	GitHub, GitLab, Firebase, Linux, Docker
DATABASES	Php, sql, mongoDB

## PROJECTS / OPEN-SOURCE

PERSONAL PORTFOLIO | [LINK](#)

Html4.css3, Javascript

This is my portfolio, which is responsive also. Just heading toward deploying it currently it is hosted on GitHub.

JOOMLA-CMS | [LINK](#)

html5, css3, js, php, sql

This is an open-source project, I work here for a couple of months and made contributions too. created issues and generated Pull requests after understanding the codebase

WEB CHAT APP | [LINK](#)

MERN Stack

This is just a MERN stack complete project. It is a web chat app.

OMEGAUP | [LINK](#)

Html, css, Typescript, php, sql, Vuejs

This is an open-source organization, I did lots of contributions here. The codebase is difficult to understand but then too I was able to get it with the help of the omegaup community
